A SEVENTH-DAY ADVENTIST COMPANION

AdventCompass

Scripture, hymnal, and the writings of Ellen G. White, held together by an AI assistant that only knows what's already on your shelf. Twenty-eight features, one phone, no connection required.

Friday cuts over to Sabbath at a fixed 5:00 PM. **Saturday's** end is a real astronomical sunset, recalculated every week from your GPS location — never a fixed clock.

I Scripture & Study 08

II Worship & Song 07

III Hello C, the AI Companion 05

IV Daily Practice 04

V Rhythm & Reminders 04

I

CHAPTER I

Scripture & Study

The library at the center of the app — text, translation, and every cross-reference that opens it further.

I.01 **Bible in five translations**

NHEB, KJV (1769), ASV (1901), and MKJV in English, plus SNA — the Shona Contemporary Bible — with full-text search and bookmarks.

I.02 **S.D.A. Bible Commentary, Vols. 1–6**

Linked to every verse right inside the reader.

I.03 **Cross-references**

Every verse connects out to the ones that explain it.

I.04 **Ellen G. White writings**

All 49 volumes, fully searchable.

I.05 **Read Aloud**

Narration for the Bible, the EGW library, and daily devotions.

I.06 **Bible reading plans**

Structured plans with progress tracked as you go.

I.07 **Fundamental Beliefs & topical verses**

The 28 beliefs, and a verse index organized by subject.

I.08 **Chapter-a-Day**

One chapter surfaced fresh on the home screen each morning.

II

CHAPTER II

Worship & Song

Sabbath School, hymnal, and the readings that shape a Sabbath — in three languages.

II.01 **Sabbath School**

Current quarter, auto-downloaded when you're online, in standard or Easy Reading Edition, with PDF sync.

II.02 **Hymnal in three languages**

English, chiShona, and isiNdebele, with a quick jump-to-number dial and favorites.

II.03 **Hymn tunes & sheet music**

Audio playback alongside sheet music you can pinch or double-tap to zoom.

II.04 **Daily devotions**

A short reading to open or close the day.

II.05 **Children's sermons**

Object lessons with scripture references, ready for Sabbath School.

II.06 **Offertory readings**

Verse-tailored commentary to read before the offering.

II.07 **Special days calendar**

The observances and emphasis days on the church calendar.

III

CHAPTER III

Hello C, the AI Companion

An assistant that only knows what's already on your shelf — the Bible, all 49 EGW volumes, commentary, and hymns.

III.01 **Ask anything**

Answered from the Bible, the EGW writings, commentary, and hymns already in the app — nothing fetched from outside it.

III.02 **Tap a verse to open its commentary**

Any verse Hello C cites opens the matching S.D.A. Bible Commentary directly.

III.03 **Follow a cross-reference from chat**

Jump straight to a related verse without leaving the conversation.

III.04 **Offline mode**

One download, about 800 MB, then it answers forever with no connection needed again.

III.05 **Online mode**

Skip the download and get answers instantly over your connection instead.

IV

CHAPTER IV

Daily Practice

Where study turns into habit — notes, prayer, and the small disciplines tracked day by day.

IV.01 **Notes**

Categories, pinning, archive, and grid or list view.

IV.02 **Prayer journal**

A running record of what you're praying through.

IV.03 **Habit tracking**

Bible study, prayer, water (2,000 mL goal), and exercise (30 min goal) — each with its own weekly streak.

IV.04 **Home screen widgets**

Water Tank and Weekly Progress, visible without opening the app.

V

CHAPTER V

Rhythm & Reminders

The app keeps time with the week — especially the one evening it was built around.

V.01 **Reminders**

Background and exact-time notifications for prayer, water, Bible study, Sabbath prep, and more — each toggled individually in Settings.

V.02 **Sabbath greeting**

Friday at 5:00 PM sharp, then a true astronomical sunset on Saturday, calculated from your location.

V.03 **Light, dark, or system theme**

Follows the phone, or overridden by hand.

V.04

Offline-first, start to finish

Every chapter above works with the phone in airplane mode, once it's on the device.
